Amanda –

I am renewing our request for a meeting with Secretary Zinke and National Congress of American Indian. As the largest and oldest advocacy organization representing all the issues that affect tribal governments we stand ready to partner with the Secretary to address the various issues that are mutually important to us both. I have attached our renewed request and our previous request. Please let me know if there is anything else you would like or if there is someone else I can work with to schedule this important meeting. Thanks Jackie
